Shopping & prep notes

- **Buy palak twice** — spinach wilts by day 3. Buy half on Day 1, rest mid-week.
- **Order online:** nutritional yeast, KSM-66 ashwagandha — BigBasket, Amazon, or iHerb.
- **Milletts in Hyderabad:** Namdhari's, Nature's Basket, Ratnadeep, or local kirana millet stores.
- **Grind flaxseeds weekly** — store ground flax in fridge. Whole seeds pass undigested.
- **Sunday batch prep:** ragi ladoos (14), boiled eggs (6), sprouted moong, pesarattu batter.
- **Soak overnight daily:** almonds (6–8) + methi seeds (1 tsp) in separate small bowls.
- **Pantry items** (don't need weekly restock): hing, tamarind, ajwain, coconut oil, amla powder.
- **Cast iron kadai** — cook iron-rich dishes in it for passive iron addition to food.
